| 1                       | The export of chilled and frozen meat shall be allowed subject to the provision specified to the gazette notification on raw meat (chilled and frozen) under Export (Quality Control and Inspection) Act, 1963. Offals of buffalo too are subject to the same conditions of quality control and inspection. Laboratories duly recognized by APEDA , as well as in- house laboratories attached under the abattoirs cum meat processing plant registered with APEDA and Agency approved labs, may also be used to conduct the necessary tests for confirmation of quality under the supervision of the designated veterinary authority of the State. On the basis of these test and inspections carried out by Veterinarians, duly registered under the Indian Veterinary Council Act, 1984, employed by the exporting unit and supervised by the designated veterinary authority of the state, the veterinary Health Certificate may be issued by the designated authorities of the state. |                          |                        |
